

Boat Hire

| | | |
|--------|--|-------------------------|
| Cost : | Singlehanded (RS Tera, Optimist, Laser, Pico) | £5 per sailing session |
| | Doublehanded (RS Feva, GP14) | £10 per sailing session |

- Club Boats may only be used when an organised club event is taking place and a safety boat is afloat.
- Sailors are expected to have received prior approval from one of the Dinghy Instructors before hiring a club boat.
- Please consult with the Training Coordinator if you are unsure what boat to use to best suit your skills and sailing requirements.
- Boats should be sailed within the race area or within clear sight of the safety boat.
- On return to the boat park, club boats must be washed down, de-rigged and all equipment stored in the boat shed.
- Boats should be logged back in to the logbook signing in that the boat has been paid for and checked on return.
- Any defects should be logged with the Sailing Captain or Training Coordinator.
- Payment is made at the Bar using the Boat Hire Button on the cash register or directly to one of the Committee members.

All dinghies must be booked in to the Boat Hire Logbook before launching. This is a bright green folder located beside the Race Officer folder.
